

WNCC Policies and Procedures Manual

Procedure: **HAZARDOUS WASTE MANAGEMENT**
Policy No.: 11-16-1
Department: Environmental Health and Safety (EH&S)
Contact: EH&S Officer

Policy: All WNCC personnel must dispose of hazardous and other waste materials in accordance with Nevada Environmental Protection Department requirements.

Section 1. Responsibilities

- A. All WNCC Supervisor shall check that all possible Hazardous Wastes and other waste materials are being disposed of properly. This includes forwarding properly completed documentation and manifests to the EH&S office for record keeping.
- B. EH&S shall provide viable means of Hazardous Material disposal or recycling.
- C. EH&S shall also provide training and guidance for all WNCC personnel in hazardous material disposal.

Section 2. Procedure

- A. All WNCC personnel shall follow the document “A” entitled “WNCC Hazardous Material Guidelines”, and document “B” entitled “Other WNCC Waste Stream Data”. If questions arise contact EH&S.
- B. Both documents “A” and “B” can be obtained from Environmental Health and Safety on request. (775-445-3327)
