Small Farm**

Friday, Sept. 10 • 9 am - 4:30 pm • \$35

(\$45 if registered after August 31) - Includes Lunch

LIMITED SEATING - REGISTRATION REQUIRED

Western Nevada College Carson Campus
2201 West College Parkway Carson City &
Agape Organics-Franktown Road

Learn about orchard and berry production for the small farm including best varieties to grow in northern Nevada's climate and soils, site selection and planting, fertilization, pruning, pest and disease management, and marketing. Workshop includes classroom training and an on-farm tour of Agape Organics, a certified organic apple orchard in Washoe Valley. Intended for experienced and new farmers interested in small scale commercial production and sales.

FEATURED SPEAKER: Local expert Michael Janik has been growing and experimenting with orchard fruit and berries for more than a decade. He's grown more than 100 apple varieties, as well as currants, grapes, berries and more. Michael is an ISA certified arborist and accomplished at grafting.
