

## APPLICATION FOR ADMISSION TO BACHELOR OF TECHNOLOGY IN CONSTRUCTION MANAGEMENT

To be accepted into the Bachelor of Technology – Construction Management program, a student must:

1. Complete a minimum of 45 college semester credits or equivalent with a minimum 2.0 grade point average. Within the 45 credits:
  - a) At least 12 credits must be in degree applicable construction courses. This requirement may be waived if the student has construction experience, subject to approval of the construction management faculty and counselor.
  - b) At least 15 credits must be in degree applicable general education classes, including English 101 with a grade of C or better (a C- or lower grade will not be acceptable for English 101).

OR

Hold an associate degree in Construction Management or equivalent from a regionally accredited institution.

2. Meet with a WNC Counselor.
3. Submit this application to Admissions and Records.

Students will be informed of their admission status by mail. The processing time is approximately 6-8 weeks upon receipt of this application and transcripts or training materials to be evaluated. Students who have already had a petition for credit evaluation completed for the Bachelor of Technology degree should receive notification of their admissions status within 2-4 weeks.
