

### 2011-2012 VERIFICATION FORM – Independent Student

Your application was selected for review in a process called “Verification”. In this process, WNC will be comparing information from your application with signed copies of your (and your spouse’s, if you are married) 2010 Federal tax forms, or with W-2 forms or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, you or WNC may need to make corrections electronically or by using your Student Aid Report (SAR).

Complete this verification Form and submit it to the financial aid administrator as soon as possible, so that your financial aid won’t be delayed. Your financial aid administrator will help you.
