TOTAL TRANSFERABLE CREDITS = 92
EXCELSIOR COLLEGE CREDITS = 28
TOTAL DEGREE CREDITS = 120

Note: Excelsior College puts no limit on the number of credits a student can transfer as long as that of credit meets degree requirements and comes from a recognized source. Therefore, any credit completed in addition to those pursued with SAC will be considered for transfer as long as it meets degree requirements www.excelsior.edu/waystoearncredit

The first step in becoming an Excelsior College student is to apply by submitting an Undergraduate Application, which requires the inclusion of all official transcripts of prior college credits. Once an application is reviewed, an evaluation summary outlining what is still needed to complete this degree will be provided to the student. Upon receiving the results of this report, a student may enroll at any time. To apply to Excelsior College please visit <http://ccpartnerships.excelsior.edu>

Information about Excelsior College and its degree programs, including transfer options and currently available courses and examinations can be accessed on our website www.excelsior.edu

As part of the Excelsior/WNC partnership program, students are required to take a minimum of 12 credits in Excelsior College coursework.
