II. Additional Comments

The above courses satisfy NSC "general" college core requirements. However, please note that some majors/degree programs may require specific courses to satisfy college core requirements. Students are encouraged to see a counselor/advisor for assistance in course planning.

New Admits: Newly admitted students are placed in pre-major status. For detailed information on how to get admitted into the major, please contact an advisor.

Graduation requirement: At least half (64) of the credits required for graduation must be taken from a four-year institution. A minimum of 32 upper-division credits (300 level or 400 level) taken at Nevada State College is also required.

Agreement

This document serves as the agreement between the student and Nevada State College (NSC) for course transferability. This agreement is valid under the following terms:

1. The student is guaranteed the use of the catalog year upon admission at NSC, provided that he/she has matriculated at WNC by the fall of the academic year of this agreement and that the degree program requirements can be completed within ten years from this catalog year.
2. The student must stay within the curriculum as outlined by this agreement.
3. *The student must earn at least the minimum required grade point average for all transferable baccalaureate level coursework for admission at NSC.
4. *The student must earn at least the minimum grade point average required for admission into the major at NSC.

*The minimum GPA required for admission into the college may be different from the minimum GPA required for admission into the major.

Note: Major requirements may change on or before the student's admission to NSC and to the major.

The student is responsible for contacting Nevada State College with questions regarding this agreement or any other concerns related to transfer at NSC.
