## CREDIT COURSE INFORMATION

This course is a practicum course - learning by doing. Students will work behind the scenes to help create *The King and I*, working on lights, sets, or backstage crew. Students will pass the class if they fulfill the responsibilities assigned to them.

## CODE OF BEHAVIOR

The spirit of a cast is far more important to the success of a production than getting the right choreography or lines. WNMTC deeply values and encourages respect within the cast. Anyone who disrespects other cast members or directors may be disciplined, even potentially removed from the production.

## WE NEED YOU THERE!

It is vitally important that you fulfill the tasks assigned to you and attend every technical rehearsal at the Community Center. Missing rehearsals or performances may cause a student to be removed from the class.

## HONORS STUDENTS

If you are interested in receiving honors status towards your degree, you may apply for any of several projects, including serving as an assistant to the director at rehearsals, or assisting with producing the show. Please talk to Stephanie for more information.
