

The following people have been cast in *The Sound of Music*. If you have taken fewer than 9 credits of MUS 176, please register for the call number listed above your group. If you have taken more than 9 credits of MUS 176, please register instead for MUS 276, C02, call number 18673. Children younger than middle school register non-credit with our office: 445-4249.

Please register immediately. Registration is critical to participation in college activities. If you do not complete registration within two weeks, your part will be recast. Here is more information, if registering is new to you:

- If you are old enough to register for credit (middle school or older) and have never taken a class at WNC before, you will first need to admit to the college. Log on the wnc.edu, click on "Apply Now," then click in the first column "Apply Online." As you go through these fields, be sure to carefully establish your Nevada residency, as this drastically affects your fees! If you are a California resident who lives in Lake Tahoe, be sure to apply for Good Neighbor fees. There is a one-time fee for applying to the college. The scholarship does not cover this fee.
- If you are a high school or middle school student, you need to have an authorization form signed by your counselor and your parents before you can register.
- If you are college age and have taken a WNC class before, registration is quick and easy. So please do it right away! All you need to do is see what your call number is on the casting results, then log on and register. MUS 176 and 276 are variable credit courses. You may choose between 2 and 3 credits. The call number for your registration will be indicated on the website. If you have already registered for 9 credits of MUS 179 (the previous number for this course) and/or MUS 176, you are eligible to register for MUS 276 instead of your assigned section of 176. Although each call number has a time and location listed with it in the college schedule, your actual schedule is not reflected by this: you will rehearse when indicated on the rehearsal schedule.

All cast members will receive a scholarship (paid out of our ticket sales account) to defray half the cost of their tuition. We will process your scholarship as soon as you register.

A complete rehearsal schedule for the first three weeks will be emailed to all cast members before the first rehearsal.

The role of Rolf will be cast on Monday.

Call number 10835

Maria..... Maria Arrigotti
