Welcome to the cast of The King and I! If you decide to participate, YOU NEED TO REGISTER RIGHT AWAY!! The college requires credit student registrations to justify supporting this program and all cast members must enroll to be a part of the show.

- If you are old enough to register for credit and have never taken a class at WNC before, you will first need to admit to the college. Log on the wnc.edu, click on "Apply Now," then click in the first column "Apply Online." As you go through these fields, be sure to carefully establish your Nevada residency, as this drastically affects your fees! If you live in Lake Tahoe, be sure to apply for Good Neighbor fees. There is a one-time fee for applying to the college. The scholarship does not cover this fee.
- If you are a high school or middle school student, you need to have an authorization form signed by your counselor and your parents before you can register. If you did not do this at auditions, you can find this on the website at http://www.wnc.edu/files/departments/studentservices/admissions/high_school_authorization.pdf
- If you are college age and have taken a WNC class before, registration is quick and easy. So please do it right away! All you need to do is see what your call number is above, then log on and register. MUS 176 and 276 are variable credit courses. You may choose between 2 and 3 credits. If you have already registered for 9 credits of MUS 179 (the previous number for this course) and/or MUS 176, you are eligible to register for MUS 276 (call #39046) instead of your assigned section of 176. Although each call number has a time and location listed with it in the college schedule, your actual schedule is not reflected by this: you will rehearse when indicated on the rehearsal schedule.

All cast members will receive a scholarship (paid out of our ticket sales account) to defray half the cost of their tuition. We will process your scholarship as soon as you register.

- If you are registering your child non-credit, please call the performing arts office to enroll: 445-4249. All children in middle school or older register for credit.
- Registration is critical to the college. If you do not complete your registration within two weeks, we may need to recast your part.
