NEVADA STATE HIGH SCHOOL TO OFFER JUMP START PROGRAM DUAL CREDIT MODEL INCLUDES ASSOCIATE DEGREE AND TECHNICAL TRACKS

A new charter school in Northern Nevada has partnered with WNC to offer high school juniors and seniors the ability to finish their final two years of high school at Nevada State High School, while taking classes through WNC's Jump Start College program.

Thanks to a College and Career Readiness Grant from the Nevada Department of Education, the school is able to offer the dual enrollment program for Northern Nevada youth, plus assistance with textbooks, transportation, class expenses may also be available. **READ MORE.**

COLLEGE MOVES TOWARD BECOMING TOBACCO-FREE TOBACCO USE INCLUDING VAPING, LIMITED TO DESIGNATED LOCATIONS

Students will be able to breathe easier when they return to Western Nevada College campuses this fall.

WNC is eliminating exposure to second-hand smoke and confining the use of nicotine and vapor products to designated outdoor areas on its three campuses.

Ultimately, WNC envisions joining more than 1,475 colleges and universities around the U.S. that have already adopted a tobacco-free policy. **READ MORE.**
