**NOTES:**
1) As part of this overall program, students must complete two depths. A depth consists of 12 credits in one academic discipline with at least 3 credits at the upper/advanced level. One depth must be comprised of art & sciences coursework. The second depth can be in any academic area; 2) Coursework completed for a major will apply toward one depth area; 3) Excelsior puts no limit on the number of credits a student can transfer as long as that of credit meets degree requirements and comes from a recognized source. Therefore, any credit completed in addition to those pursued with WNC will be considered for transfer as long as it meets degree requirements: [www.excelsior.edu/waystoearncredit](http://www.excelsior.edu/waystoearncredit)

The first step in becoming an Excelsior College student is to apply by submitting an Undergraduate Application, which requires the inclusion of all official transcripts of prior college credits. Once an application is reviewed, an evaluation summary outlining what is still needed to complete this degree will be provided to the student. Upon receiving the results of this report, a student may enroll at any time. To apply to Excelsior College please visit [http://ccpartnerships.excelsior.edu](http://ccpartnerships.excelsior.edu)

Information about Excelsior College and its degree programs, including transfer options and currently available courses and examinations can be accessed on our website [www.excelsior.edu](http://www.excelsior.edu)

As part of the Excelsior/WNC partnership, students are required to take a minimum of 12 credits in Excelsior College coursework.
