Mission & Goals

MISSION
Western Nevada College inspires success in our community through opportunities that cultivate creativity, intellectual growth and technological excellence, in an environment that nurtures individual potential and respects differences.

COLLEGE GOALS
1. Improve student success in program completion and graduation rates
2. Ensure institutional excellence in teaching, programs and services
3. Embrace our college's many communities and respond to their diverse needs.

Privacy Notice & Request for Confidential Status of Directory Information

In accordance with institutional policy and the U.S. Family Education Rights and Privacy Act of 1974, Western Nevada College vigorously protects the privacy of student educational records. The institution does not release the records of individual students, such as grades and class schedules, without prior written consent of the student. WNC does not release information to parents of students regardless of dependence status without prior written consent of the student. A student is defined as an individual who has applied to WNC and who is or has been in attendance at WNC.

As permitted under federal law, an exception to the above practice is the release of “directory” information considered to be public in nature and not generally deemed to be an invasion of privacy. At Western Nevada College, the following categories are defined as “directory” information: student name, city, state, residency status, full-time/partial-time status, graduation date, major/degree, academic honors, dates of attendance and whether currently enrolled, and photographs from college sanctioned events.

Students have the right to request non-disclosure of directory information. If they do not restrict release of this information, the information may be released or disclosed. Western Nevada College uses directory information for non-commercial, educational purposes, such as to mail notices to students about changes in policies, services, or opportunities. Directory information may also be provided for commercial purposes to businesses affiliated with the institution, honor societies, the alumni association and foundation, or other individuals for purposes that may be beneficial to students. The institution exercises discretion in responding to requests for directory information and may or may not provide such information when requested, depending on the intended purpose of the request. The institution does not sell or rent student information for a fee.

It is important to consider carefully the potential consequences of restricting the release of directory information. If a student restricts release for non-commercial educational purposes, the institution will be unable to place the student's name in publications such as honors and graduation programs; to confirm graduation and dates of attendance to potential employers; to verify enrollment with organizations such as insurance companies; or to send notifications about specialized scholarships without the express written authorization of the student.

If, after due consideration, you wish to restrict the release of directory information, complete this form and submit it to Admissions and Records. This directive will apply permanently to your record until you choose to reverse it by submitting a written authorization.

☐ Do not disclose my information for commercial purposes.
☐ Do not disclose my information for non-commercial, educational purposes.
☐ Do not disclose my information for both commercial and non-commercial purposes.

Printed Name ___________________________ Student ID ___________________________
Signature __________________________________ Date __________________________

The authorization can be mailed, faxed or delivered in person to Admissions and Records.

This request will apply permanently to your record, even following graduation, until you choose to reverse it by submitting a written authorization to Admissions and Records.

REGISTRATION TIPS
• New students should submit application for admission at least 72 hours before your planned class registration time.
• Schedule an appointment with a counselor if you need assistance selecting classes or to take placement tests.
• Register early to get classes at the days and times you want.
• Check the catalog to ensure you have met all course prerequisites.
• Audit status is only for those who do not want grades or course credit.
• Pay fees when you complete registration (no later than published deadlines).
• Check your schedule on Web-REG for accuracy.
• Print a copy of your schedule to take to the bookstore to buy your books and to verify location of classes.
• Be aware of refund deadlines for dropping classes and books.
• Exchange requests to one full-term class for another with the same amount of credits must be submitted by the end the second week of the semester. Even exchange of class/credits will remove the dropped class completely from your transcript. Classes dropped after the 100 percent refund period that are not “even exchanged” will remain on your transcript with a grade of “W,” and may affect financial aid for students.
• Periodically check your schedule using Web-REG to see if class meeting location or faculty changed.
• High school students must have a completed high school authorization form to register for classes.
• Withdraw from classes if you are unable to attend or complete the courses by the published deadline.
• Check grades two weeks after the semester has ended using Web-REG.

Continuing Education Programs

Learning is a lifelong process. The Continuing Education Department provides lifelong learning opportunities for all ages within the communities that Western Nevada College serves. From the young child to the senior citizen, students develop skills, enjoy creative or recreational pursuits, and broaden personal knowledge.

COMMUNITY EDUCATION
Non-credit, self-supporting community education classes in diverse areas are offered for adults. Classes may be as short as a few hours or may meet weekly throughout the semester. Field trips and special events may also be arranged. Since Community Education is self-supporting, credit classes that typically do not receive sufficient enrollment can be successfully delivered through this program. New programs may also originate in Community Education. Some programs, such as Motorcycle Safety, will grant an endorsement card upon successful completion. Driver’s Education and Traffic Safety School are also offered.

A variety of community education and academic classes are offered. Topics may include learning to operate a digital camera; improving health and wellness; understanding the Global Positioning System; using the Bob Ross method of oil painting; learning basic computer skills such as Internet and e-mail; and taking one-day field trips to historic sites or entertaining events. For credit classes, seniors pay only a small technology fee and, if applicable, lab fees; class registration fees are waived. Non-credit classes provide a 20 percent discount to seniors who are Nevada residents.

Distance Education at WNC —
WNC offers a full range of classes delivered both online and by interactive video. Interactive video classes offer two-way audio and video from the originating site to branch campuses and centers at regularly scheduled times. Most web classes have few, if any, scheduled meeting times and can be accessed 24/7 from any computer. Both are designed to meet the needs of students with busy lifestyles who may not have the opportunity to attend regularly scheduled or on-campus classes.

Admissions Policies —  
WNC maintains an “open door” admissions policy. Any adult who can benefit from instruction at the college is welcome to enroll. WNC has no pre-admissions standards and does not require new students to provide transcripts of previous educational experiences. Thus, any U.S. citizen, resident alien or qualified international student who:  
• is at least 18 years old, or  
• is a high school graduate, or  
• has completed the General Education Development (GED) exam and scored a 12th grade equivalency, may enroll in any general program offered by WNC. Admission only ensures general enrollment at WNC and does not guarantee admittance into specific programs or particular classes. For information regarding academic programs or classes, contact a counselor or the appropriate academic division.

ADMISSION FOR NEW STUDENTS  
New students or those who have not attended WNC since 1978 must submit an online admission form prior to registration. Once an application has been received by Admissions and Records, students can generally register within two working days. Students will not receive notification of acceptance.

ADMISSION FOR HIGH SCHOOL STUDENTS  
The college permits enrollment for those not yet graduated from high school. High school juniors and seniors may enroll with a WNC counselor. Otherwise, high school students below the junior level may only enroll in Community Education or College for Kids classes.

ADMISSION FOR INTERNATIONAL STUDENTS  
All foreign-born, nonresident students planning to attend WNC must contact Admissions and Records on the Carson City campus at least three months prior to attendance to prepare college and federal account information.

ADVANCED STANDING ADMISSION  
Students who have earned credits from accredited post-secondary educational institutions may be eligible for advanced standing at WNC. These students should submit a “Petition for Evaluation” to Admissions and Records and request official transcripts from each previously attended institution.

NURSING & ALLIED HEALTH PROGRAMS  
WNC offers an Associate of Applied Science Degree in Nursing, a Certificate of Achievement in Surgical Technology and an Associate of Applied Science Degree and certificates in Health Information Technology. Admission to Nursing and Surgical Technology programs are limited and require special application.

AUDITING A CLASS  
Auditing allows a student to pay the regular fees, attend class sessions, receive all the instruction, and generally do the same assignments and work of a regularly enrolled student, but NOT receive a grade or credits for the class. Auditors are not required to take exams. The last semester date to change credit to audit, or audit to credit, for full-term classes is Thursday, July 3. After this date an audit may not be changed to a letter grade.

COURSE EXCHANGES  
Even exchange of courses is allowed during the first two weeks of the term (June 9-20). To drop and add full-term classes for the same number of credits, submit a special enrollment authorization form to Admissions and Records. Students requesting an even exchange during this period should not add or drop classes through WebREG. Dropped courses approved for even exchange will be removed from a student transcript. Courses dropped after the 100 percent refund period that are not “even exchanged” will remain on a student transcript with a grade of “W.”

Note: during the second week of instruction, a signature is required from the instructor(s) of course(s) a student wishes to add.

RESIDENCY  
Regulations for determining Nevada residency for tuition charges are set by the Board of Regents. One of the following categories must apply in order for a student to be deemed a Nevada resident:  
1)  A dependent person whose spouse, family or legal guardian is a bona fide resident of Nevada for at least 12 consecutive months prior to the student’s date of matriculation.  
2)  A financially independent person who is a bona fide resident of Nevada for at least 12 consecutive months prior to the date of matriculation.

Date of matriculation means the first day of instruction in the semester or term in which enrollment of a student first occurs. A student has matriculated if he/she enrolls in a course and does not withdraw before the 100 percent refund period or has a record of previous enrollment at Western Nevada College. A nonresident who matriculates to WNC shall continue to be classified as a nonresident student throughout the student’s enrollment, unless and until the student demonstrates continuous physical presence as a Nevada resident for at least 12 months immediately prior to the date of the application for reclassification. There are additional criteria that must be met for reclassification to resident status. There are also exceptions for determining residency.

Admissions and Records............. 445-3277

Adds, Drops & Withdrawals  
Adds/drops may be completed beginning Monday, April 2, using the Internet at www.wnc.edu/webreg. The last day to add full-term classes by Internet is Friday, June 13. Dropping a full-term class must be done by Internet at any time until Friday, July 25. See fee refund policy.

COURSE LOAD  
The number of credit units taken by a student, excluding courses taken for audit, makes up the total course load. The number of credits a military veteran or financial aid student takes generally determines the benefits he or she receives. Full-time students carry 12 or more credits; three-quarter-time students carry 9-11 credits; and half-time students carry 6-8 credits. Students may not enroll for more than 18 credits per semester without permission of a WNC counselor.
GRADE POLICY
WNC students obtain their grades via the Internet. The college does not send grade mailers at the end of the semester. Students may request a printed copy on Web-REG. Grades are available approximately two weeks after the end of the semester. Summer grades will be available on Friday, Aug. 15. WNC provides ten complimentary official transcripts; additional copies are $2.

Federal law protects your grades. The Family Educational Rights and Privacy Act of 1974, as amended, requires a photo ID to verify that you are the person who earned the grades requested when a request is made in person. With requests sent by mail or fax, the written signature of the person who earned the grades is required to release a copy of the grades. A unique PIN is considered the equivalent of a signature if the Internet is used to request a copy of grades.

Class Cancellations/Changes
WNC reserves the right to cancel classes with low or insufficient enrollment.

The list of cancelled courses will be updated as courses are canceled including those resulting from instructor illness or inclement weather. Cancelled class hotline is updated beginning June 9, through the semester.

Students concerned about possible college closure due to inclement weather should check the WNC web site, the main college phone number, and local TV stations.

WNC reserves the right to limit the number of WUE students from each state.

DELINQUENT ACCOUNTS
All delinquent accounts will be placed on financial hold. Students on financial hold may not receive a transcript, register for classes or be awarded a certificate/diploma until the account has been cleared and financial hold removed. Delinquent accounts may be sent to collection after 90 days. The student will be assessed collection/legal fees.

WNC does not furnish counter checks and under no circumstances will postdated or altered checks be accepted. A $25 collection fee will be assessed for any check returned as unpaid from the bank. Returned checks must be made good within ten days of the bank’s notification (cash, cashiers check or money order only) or the college will begin collection procedures.
Fee Refunds

The college’s refund policy applies to students in all programs and to all registration fees for withdrawal or net credit reduction, except for non-credit courses. The application fee is not refundable and cannot be transferred to another person or to another fee. Refund of fees for withdrawal from WNC semester-long classes will be as follows:

- 100 percent if the withdrawal is completed prior to the first day of semester. The last day is Sunday, June 8.
- 90 percent if the withdrawal is completed by the end of late registration (five working days into semester). The last day is Friday, June 13. NOTE: Community education courses do not have a 90 percent refund period.

Courses dropped after the 100 percent refund period that are not "even exchanged" will remain on a student transcript with a grade of "W."

Any full-term or short-term course that begins at a date different from the regular semester and/or after the beginning of the semester, and all short-term courses DO NOT follow full-term refund guidelines.

A short-term class is defined as a class that is not scheduled to meet for the entire semester (16 weeks for fall and spring, eight weeks for summer). Short-term courses and courses that start before the regular semester start date must be dropped at least one day before the first class session for 100 percent refund; after this day no refund will be given. The 90 percent refund is not available for short-term classes or courses that start before the regular semester date. Note: Many summer courses are short-term.

Refund checks for dropped classes (when applicable) are prepared and mailed biweekly. Payment is made to the student and any other contributing agencies in proportion to the payment of the original fees made by each at the time of registration. Drops must be made by Internet before a refund can be issued.

Refunds after published deadlines will not be considered for reasons which are beyond the control of the student. Failure to attend class, job transfers, changes in work schedule, relocation, etc., will not be considered grounds for refund appeals.

Refund appeals with verifiable evidence may be granted during the first half of the semester for the following reasons: induction or activation into the armed forces; death of the student’s spouse, child, parent or legal guardian; death of the student; verifiable error on the part of the college; and verifiable incapacity, illness or injury which prevents the student from returning to school for the remainder of the semester.

In general, no refund is made after the first half of the semester.

Financial Assistance

The college’s Financial Assistance Office administers a broad array of financial aid programs, including grants, scholarships, loans and part-time employment to assist students in meeting educational expenses.

How to Apply for Financial Aid

Many students are eligible for some type of financial assistance. It’s not too late to apply for summer semester aid. To be considered for financial aid and many WNC scholarships, complete the Free Application For Federal Student Aid (FAFSA). Students should complete the FAFSA online at: www.fafsa.ed.gov/ for 2007-2008 summer funds by June 30, 2008. Then apply separately for 2008-2009 fall funds as these are different award years. Students should keep in mind that applying for and receiving financial aid is a lengthy process. The earlier students apply, the earlier they can be notified about eligibility for financial assistance as some funds are limited. Early submission of the FAFSA increases the possibility of receiving aid. Allow at least 45 days before the semester begins to complete the application process.

Veterans Services

The college maintains an office of Veterans Services on the Carson City campus. Information concerning veterans services is also available through Counseling Services on the Fallon campus and from the coordinator at any of WNC’s outlying centers.

Persons who are eligible for veterans benefits include: veterans discharged less than ten years ago, children of 100 percent service-connected disabled veterans, and the widows and children of veterans who died in service or from service-connected disabilities.

Veterans and eligible persons are responsible for submitting all necessary paperwork to the Veterans Services Office. Early registration and submission of documents will assist the Veterans Services Office, and allow adequate time for processing applications.

VETERANS STANDARD OF SATISFACTORY PROGRESS

Veterans receiving VA educational benefits must maintain a minimum cumulative grade point average of 2.0 on a 4.0 scale. If GPA falls below 2.0, he/she will be placed on academic probation for the following semester. If the cumulative GPA remains below 2.0 for two subsequent semesters, VA benefits will be terminated. To re-establish eligibility, students must take courses at their own expense until they achieve the required minimum 2.0 GPA.

Financial Aid Checklist

STEP #1: New students should complete the WNC Admission Application and scholarship forms. WNC is unable to process the FAFSA form until a student has been admitted to the college.

STEP #2: Students need a PIN to apply for the FAFSA online. This is not the same PIN number used to register for classes. A U.S. Department of Education PIN allows students to electronically “sign” the Free Application for Federal Student Aid application which reduces processing time. Students under age 24 may also need parents to sign the FAFSA form. In this case, the parents should also request a PIN since they must sign for any information they enter electronically. Request a PIN at: http://pin.ed.gov/ or when completing the FAFSA on the web application: www.fafsa.ed.gov/.

STEP #3: Organize financial records that are necessary to complete the electronic FAFSA. Include a copy of the latest federal income tax form, a parent’s tax return for a dependent student (refer to FAFSA instructions to determine this status), and a spouse’s return (for married students filing separately). Other income documents may include year-end statements from Social Security, W-2 forms, disability income statements, unemployment compensation statements, TANF annual income statements, etc.

STEP #4: Complete the electronic FAFSA at www.fafsa.ed.gov. List Western Nevada College as the college choice. WNC uses school code: 013896.

For assistance completing the FAFSA, computers and advisors are available in Financial Assistance, 8 a.m.-5 p.m., Monday through Friday. Bring the required Department of Education PIN number.

WELCOME

Millennium Scholars may be reimbursed for summer courses above 100 level completed with a passing grade. Students must be eligible for the Millennium Scholarship and be enrolled in a minimum of six credits for the fall or have been enrolled in six credits in the prior spring semester. Reimbursement occurs at the end of September after fall processing is complete and is $40 per credit, up to 12 credits.

Transfer Center/ Career Center

WNC’s Transfer Center assists students who plan to continue their education at another institution. The center provides a variety of services designed to make transfer from WNC to another college or university as easy and efficient as possible. The Transfer Center is in Counseling Services at the Carson City campus, and in the Beck Library at the Fallon campus.

The Career Center provides information regarding career descriptions, job outlook, work settings, and preparation necessary to enter specific career fields. These materials help students select college majors and future occupations.
WNC offers a set of transfer courses for education majors that makes it possible to complete the first two years, up to 64 credits, of course work for bachelor’s degrees from the College of Education at the University of Nevada, Reno or Nevada State College. Students may prepare for a degree in Elementary Education, a Bachelor of Science in Secondary Education, or Bachelor of Arts in Secondary Education.

Foundation courses available at WNC include instructional technology, required 200 level English courses, introductory courses in secondary and special education, and freshman and sophomore courses requiring supervised field experience in the K-12 schools.

WNC & Nevada State College Partner in Teacher Preparation
WNC students who are close to completing their first two years of transfer courses toward a bachelor’s degree in education can enroll in Nevada State College junior and senior level courses offered at WNC sites and by Internet. Students are able to earn a bachelor’s degree and prepare for certification as an elementary or special education teacher without leaving WNC’s service area.

A new cohort group will begin in fall 2008. Students may join the group.

Classes are offered at a rate allowing students to finish at the same pace as other four-year institutions. A Sunday section may be added if enrollment is sufficient.

To date, 25 partnership students have finished their degrees and have teaching jobs in the area.

### How WNC Courses Transfer & Meet Degree Requirements

WNC’s course numbering system helps students identify the types of courses available at the college and their applicability toward specific degrees:

**Courses with numbers below 100** (such as ENG 95) are developmental courses which do not apply toward a WNC degree or honors and normally do not transfer to a university.

**Courses with numbers from 100 to 299** (such as HIST 101) are college level courses which may transfer within the Nevada System of Higher Education, and often transfer to other colleges and universities, as either an equivalent or a general elective.

**Courses with numbers 300 to 499** (such as MGT 462) are upper division courses that are designed to apply toward a WNC Bachelor of Technology degree. They may also transfer to other colleges and universities. For information about how these courses can transfer and apply to a specific program of study, please contact a counselor.

**Courses with numbers 1000 and above** (such as CFK 1001) are non-credit, non-college continuing education courses. Please contact a counselor for more information.

**Courses with a “B” designator after the number** (such as MATH 110B) are college level courses which may apply toward a WNC degree, but which may not transfer to UNR & UNLV. In some cases, these courses may transfer to other Nevada community colleges and Nevada State College or to out-of-state colleges and universities.

**Courses with a “C” designator after the number** (such as CMSV 245C) are community education courses which generally do not apply toward college degrees.

**Courses with an ‘L’ Designator after the number** (such as PHYS 151L) are laboratory courses designed to apply toward a WNC degree and/or transfer to other schools within NSHE, depending on the degree chosen and other courses completed. They may transfer to colleges and universities outside Nevada. Please contact a counselor for more information.

High School Student Services

WNC offers services which allow qualified high school students to earn high school and college credits simultaneously. They include:

TECH PREP: High school juniors and seniors may earn college credit for occupational coursework completed in high school. Courses are taught by high school teachers who follow a curriculum established by both high school and college faculty. The program is designed to give students hands-on and academic experience. Course credits apply to WNC certificate and degree programs, giving students a head start on higher education programs that relate to chosen career paths.

DUAL CREDIT: Students may earn college and high school credits simultaneously. Each high school in the WNC service area has a list of WNC courses that can also count as high school credit. The program helps students by offering courses not available at the high school, and giving them the opportunity to begin college while still in high school. Contact local school districts for an updated list of dual credit classes.

FAST TRACK: Designated college courses are offered via Internet or interactive video at a discounted rate to high school students. Most Fast Track classes cost only $25, with a $15 interactive video fee.
