Privacy Notice & Request for Confidential Status of Directory Information

In accordance with institutional policy and the U.S. Family Education Rights and Privacy Act of 1974, Western Nevada College vigorously protects the privacy of student educational records. The institution does not release the records of individual students, such as grades and class schedules, without prior written consent of the student. A student is defined as an individual who has applied to WNC and who is or has been in attendance at WNC.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

(1) The right to inspect and review the student’s education records within 45 days of the day the institution receives a request for access.

A student should submit to the registrar, dean, head of the academic department or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The institution official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the institution official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

(2) The right to request the amendment of the student’s education records that the student believes to be inaccurate, misleading or otherwise in violation of the student’s privacy rights under FERPA.

A student who wishes to ask the institution to amend a record should write the institution official responsible for the record, clearly identify the part of the record the student wants changed and specify why it should be changed. If the institution decides not to amend the record as requested, the institution will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to provide written consent before the institution discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

The institution discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the institution in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the institution has contracted as its agent to provide a service instead of using institutional employees or officials (such as an attorney, auditor or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the institution.

Upon request, the institution also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

As permitted under federal law, an exception to the above practice is the release of “directory” information considered to be public in nature and not generally deemed to be an invasion of privacy. The Nevada System of Higher Education has designated the following information as directory information: student name, address, telephone number, e-mail address, degrees, honors and awards received, major field of study, college, dates of attendance, date of graduation, undergraduate or graduate status, most recent educational agency or institution attended, enrollment status (full-time or part-time), participation in officially recognized activities and sports, and weight and height of members of athletic teams. WNC has further designated photographs from college sanctioned events as directory information.

Students have the right to refuse to let WNC and NSHE designate this information as directory information and have until the end of the first six weeks of the fall or spring semester to submit a request for non-disclosure of the above items. A request for non-disclosure submitted at one NSHE institution will apply to all NSHE institutions.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901

It is important to consider carefully the potential consequences of restricting the release of directory information. If a student restricts release for non-commercial educational purposes, the institution will be unable to place the student’s name in publications such as honors and graduation programs, to confirm graduation and dates of attendance to potential employers; or to verify enrollment with organizations such as insurance companies without the express written authorization of the student.

If, after due consideration, you wish to restrict the release of directory information, complete this form and submit it to Admissions and Records. This directive will apply permanently to your record unless you choose to reverse it by submitting a written authorization.

☐ Do not disclose my information for commercial purposes.
☐ Do not disclose my information for non-commercial, educational purposes.
☐ Do not disclose my information for both commercial & non-commercial purposes.

- Register early to get classes at the days and times you want.
- Check the catalog to ensure you have met all course prerequisites.
- Pay fees when you complete registration (no later than published deadlines).

## Checklist to Success

We will help you in every way we can to make your transition to college as easy as possible. Please make sure you have completed this checklist:

- APPLY FOR ADMISSION - Have you submitted an application for admission? Apply online at [www.wnc.edu](http://www.wnc.edu).
- TAKE PLACEMENT TESTS - Every student planning to register for English and math courses must take placement tests in reading, writing and math (or submit ACT/SAT scores).
- MEET WITH A COUNSELOR - Counselors review test scores and help students plan their academic schedules, career exploration, job search techniques and educational training requirements.
- APPLY FOR FINANCIAL AID - Many students are eligible for financial assistance. Apply as soon as possible online.
- REGISTER FOR CLASSES - After testing is completed and you have met with a counselor, register for classes.
- ATTEND AN ORIENTATION - See the counseling and orientation section for dates/times.
- PAY BY THE DEADLINE - Pay summer session fees by designated deadlines, to ensure that classes are not dropped.
ADMISSION FOR HIGH SCHOOL STUDENTS
High school juniors and seniors may enroll with a completed High School Authorization form available at WNC Admissions and Records or online. WNC may also request high school transcripts for verification of enrollment.

High school students below junior level, when identified as academically talented by the school district and recommended by a designated school official, will be reviewed by the director of admissions on a case-by-case basis for enrollment status in credit courses. These students must have a minimum 3.0 GPA and meet with a WNC counselor. Otherwise, high school students below the junior level may only enroll in Community Education or College for Kids classes.

ADMISSION FOR INTERNATIONAL STUDENTS
All foreign-born, non-resident students planning to attend WNC must contact Admissions and Records on the Carson City campus at least three months prior to attendance to prepare college and federal account information.

ADVANCED STANDING ADMISSION
Students who have earned credits from accredited post-secondary educational institutions may be eligible for advanced standing at WNC. These students should submit a “Petition for Evaluation” to Admissions and Records and request official transcripts from each previously attended institution.

NURSING & ALLIED HEALTH ADMISSIONS
WNC offers an Associate of Applied Science Degree in Nursing and a Certificate of Achievement in Surgical Technology. Admission to Nursing and Surgical Technology programs are limited and require a special application.

AUDITING A CLASS
Auditing allows a student to pay the regular fees, attend class sessions, receive all the instruction, and generally do the same assignments and work of a regularly enrolled student, but NOT receive a grade or credits for the class. Auditors are not required to take exams. The last semester date to change credit to audit, or audit to credit, for full-term classes is Friday, July 9. After this date an audit may not be changed to a letter grade and vice versa.

Addds, Drops & Withdrawals

Addds/drops may be completed beginning Monday, April 5, via Web-REG at www.wnc.edu/webreg. The last day to add full-term classes by Internet is Friday, June 18. Dropping a full-term class must be done by Internet at any time until Friday, July 30. See fee refund policy.

COURSE LOAD
The number of credit units taken, excluding courses taken for audit, makes up the total course load. The number of credits a military veteran or financial aid student takes generally determines benefits received. Full-time students carry 12 or more credits (six or more for summer); three-quarter-time students carry 9-11 credits; and half-time students carry 6-8 credits. Students may not enroll for more than 18 credits per semester without permission of a WNC counselor. Enrollment in over 21 credits requires permission of the vice president of Academic & Student Affairs.

GRADE POLICY
WNC students obtain their grades via Web-REG. The college does not send grade mailers at the end of the semester. Students may request a printed copy on Web-REG. Summer grades will be available on Friday, Aug. 20. WNC provides ten complimentary official transcripts; additional copies are $2.

Federal law protects your grades. The Family Educational Rights and Privacy Act of 1974, as amended, requires a photo ID to verify that you are the person who earned the grades requested when a request is made in person. With requests sent by mail or fax, the written signature of the person who earned the grades is required to release a copy of the grades. A unique PIN is considered the equivalent of a signature if the Internet is used to request a copy of grades.

Fee Refunds

The college’s refund policy applies to students in all programs and to all registration fees for withdrawal or net credit reduction, except for non-credit courses. The application fee is not refundable and cannot be transferred to another person or to another fee. Refund of fees for withdrawal from WNC semester-long classes will be as follows:

- 100 percent if the withdrawal is completed prior to the first day of semester. The last day is Sunday, June 13.
- 90 percent if the withdrawal is completed by the end of late registration (five working days into semester). The last day is Friday, June 18. NOTE: Community education courses do not have a 90 percent refund period.

Courses dropped after the 100 percent refund period that are not “even exchanged” will remain on a student transcript with a grade of “W.”

Any full-term or short-term course that begins at a date different from the regular semester and/or after the beginning of the semester, and all short-term courses DO NOT follow full-term refund guidelines.

A short-term class is defined as a class that is not scheduled to meet for the entire semester (16 weeks for fall and spring, eight weeks for summer). Short-term courses and courses that start before the regular semester start date must be dropped at least one day before the first class session for 100 percent refund; after this day no refund will be given. The 90 percent refund is not available for short-term classes or classes that start before the regular semester date. Note: Many summer courses are short-term.

Refund checks for dropped classes (when applicable) are prepared and mailed biweekly. Payment is made to the student and any other contributing agencies in proportion to the payment of the original fees made by each at the time of registration. Drops must be made by Internet before a refund can be issued.

Refunds after published deadlines will not be considered for reasons which are beyond the control of the student. Failure to attend class, job transfers, changes in work schedule, relocation, etc., will not be considered grounds for refund appeals.

Refund appeals with verifiable evidence may be granted during the first half of the semester for the following reasons: induction or activation into the armed forces; death of the student’s spouse, child, parent or legal guardian; death of the student; verifiable error on the part of the college; and verifiable incapacity, illness or injury which prevents the student from returning to school for the remainder of the semester.

In general, no refund is made after the first half of the semester.

Class Cancellations/Changes

WNC reserves the right to cancel classes with low or insufficient enrollment.

The list of canceled courses will be updated as courses are canceled including those resulting from instructor illness or inclement weather. Canceled class hotline is updated beginning June 14, through the semester.

Students concerned about possible college closure due to inclement weather should check the WNC web site, the main college phone number and local TV stations.

WESTERN UNDERGRADUATE EXCHANGE (WUE)
Through the Western Undergraduate Exchange, selected students from eligible western states may enroll in any of WNC’s programs at a reduced tuition level of 150 percent of the college’s regular resident tuition. GRADUATION APPLICATION/FEES

Missing the application deadline or failure to meet degree requirements means students must submit a new application and repay the application fee.

Deadline for filing graduation applications and fees for the summer 2010 semester is Tuesday, June 15.

DIRECT DEPOSIT OF STUDENT REFUND CHECKS

The Business Office offers DIRECT DEPOSIT as a convenient means of providing refund/overage checks to students. Instead of mailing a check, the funds can be deposited directly into a checking account.

BENEFITS INCLUDE:
- Convenience... No waiting on the mail or waiting in line to cash or deposit the check.
- Quick access... Funds are available within two-five business days after due date of refund.
- Safety...Prevent check loss or theft.

Signing up is easy...Complete the online authorization form, attach a voided check, sign and date. Incomplete forms will not be processed.

Business Office 445-4221
Direct deposit form can be found online at: www.wnc.edu/student services/admissions/forms/

DELINQUENT ACCOUNTS
All delinquent accounts will be placed on financial hold. Students on financial hold may not receive a transcript, register for classes or be awarded a certificate/diploma until the account has been cleared and financial hold removed. Delinquent accounts may be sent to collection after 90 days. The student will be assessed collection/legal fees.

WNC does not furnish counter checks and under no circumstances will postdated or altered checks be accepted. A $25 collection fee will be assessed for any check returned as unpaid from the bank. Returned checks must be made good within ten days of the bank’s notification (cash, cashier check or money order only) or the college will begin collection procedures.
How to Apply for Financial Aid

Many students are eligible for some type of financial assistance. It’s not too late to apply for summer semester aid. To be considered for financial aid and many WNC scholarships, complete the Free Application For Federal Student Aid (FAFSA). Students should complete the FAFSA online at: www.fafsa.gov/ for 2010 summer funds by June 30, 2010. Apply separately for fall 2010–spring 2011 funds as these are different award years. Students should keep in mind that applying for and receiving financial aid is a lengthy process. The earlier students apply, the earlier they can be notified about eligibility for financial assistance as some funds are limited. Early submission of the FAFSA increases the possibility of receiving aid. Allow at least 45 days before the semester begins to complete the application process.

Receiving Financial Aid & Scholarships

When financial aid and scholarships are approved and the student has enrolled in the correct number of credits, funds will automatically be applied to the student’s WNC account. This will occur no earlier than ten days prior to the start of semester. If financial aid is not approved in time for fee deadlines, the student is responsible for making arrangements for payment.

If funds awarded exceed the charges on a student’s account, the balance of funds is refunded to the student to pay for other educationally related expenses. Refunds are released to students one week after summer classes start in one of the following ways:

CHECK: The refund check is mailed to the address listed in Web-REG.

DIRECT DEPOSIT: Direct deposit is available if the student completes a Direct Deposit form and submits it to the Business Office along with a voided check. Allow 10–15 business days for the form to be processed.

Financial Aid Checklist

STEP #1: New students must complete the WNC application for admission and declare a degree or certificate program. WNC is unable to process the FAFSA form until the student has been admitted to the college.

STEP #2: Organize financial records that are necessary to complete the FAFSA.

To complete the FAFSA the student’s and parent’s (for dependent students) tax return information is required. For married students filing separately the spouse’s tax information is required. Other income documents may include year-end statements from Social Security, W-2 forms, disability income statements, unemployment compensation statements, TANF annual income statements, etc.

Veterans Services

The college maintains an office of Veterans Services on the Carson City campus. Information concerning veterans services is also available through Counseling Services on the Fallon campus and from the coordinator at any of WNC’s outlying centers.

Persons who are eligible for veterans benefits include: veterans discharged less than ten years ago, children of 100 percent service-connected disabled veterans, and the widows and children of veterans who died in service or from service-connected disabilities. Veterans and eligible persons are responsible for submitting all necessary paperwork to the Veterans Services Office. Early registration and submission of documents will assist the Veterans Services Office, and allow adequate time for processing applications. Academic counseling is required prior to certification every term.

Veterans Satisfactory Progress Standard

Veterans receiving VA educational benefits must maintain a minimum cumulative grade point average of 2.0 on a 4.0 scale. If GPA falls below 2.0, he/she will be placed on academic probation for the following semester. If the cumulative GPA remains below 2.0 for two subsequent semesters, VA benefits will be terminated. To re-establish eligibility, students must take courses at their own expense until they achieve the required minimum 2.0 GPA.
Counseling Services

Counselors are available weekdays and some evenings at the Carson City, and Fallon campuses to help students and community members make important decisions regarding educational goals and career directions.

Counselors help students plan their academic schedules to ensure understanding of major/graduation requirements and current transfer guidelines. Counselors can also assist students with career exploration, interest testing, job search techniques, current information about labor markets and educational training requirements.

Students are encouraged to see a counselor prior to enrollment to receive correct, advance advising.

Transfer Center/Career Center

WNC’s Transfer Center assists students who plan to continue their education at another institution. The center provides a variety of services designed to make transfer from WNC to another college or university as easy and efficient as possible. The Transfer Center is in Counseling Services at the Carson City campus, and in the Beck Library at the Fallon campus.

The Career Center provides information regarding career descriptions, job outlook, work settings and preparation necessary to enter specific career fields. These materials help students select college majors and future occupations.

How WNC Courses — Transfer & Meet Degree Requirements

WNC’s course numbering system helps students identify the types of courses available at the college and their applicability toward specific degrees:

Courses with numbers below 100 (such as ENG 95) are developmental courses which do not apply toward a WNC degree or honors and normally do not transfer to a university.

Courses with numbers from 100 to 299 (such as HIST 101) are college level courses which may transfer within the Nevada System of Higher Education, and often transfer to other colleges and universities, as either an equivalent or a general elective.

Courses with numbers 300 to 499 (such as MGT 462) are upper division courses that are designed to apply toward a WNC Bachelor of Technology degree. They may also transfer to other colleges and universities. For information about how these courses can transfer and apply to a specific program of study, please contact a counselor.

Courses with numbers 500 and above (such as CFK 1001) are non-credit, non-college continuing education courses. Please contact a counselor for more information.

Courses with a “B” designator after the number (such as MATH 110B) are college level courses which may apply toward a WNC degree, but which may not transfer to UNR & UNLV. In some cases, these courses may transfer to other Nevada community colleges and Nevada State College or to out-of-state colleges and universities.

Courses with a “C” designator after the number (such as CMSV 245C) are community education courses which generally do not apply toward college degrees.

Courses with an ‘L’ Designator after the number (such as PHYS 151L) are laboratory courses designed to apply toward a WNC degree and/or transfer to other schools within NSHE, depending on the degree chosen and other courses completed. They may transfer to colleges and universities outside Nevada. Please contact a counselor for more information.

Testing

Every student planning to register for English and math courses at WNC must take placement tests. Testing assesses a student’s current skills in reading, writing and mathematics and helps students select the appropriate courses to take at WNC. In some cases, there are also qualifying test scores required for course enrollment.

Those with recent ACT/SAT scores (no more than two years old) or with appropriate courses from other colleges may be exempt. Students who are not sure if they need to test should contact a counselor.

Board of Regents mandated ACT and SAT required scores:
