

**GOVERNOR GUINN MILLENNIUM SCHOLARSHIP PROGRAM  
CO-ENROLLMENT FORM**

This form is used by Governor Guinn Millennium Scholarship students enrolled in a degree or certificate program at an eligible institution to request to enroll with Millennium Scholarship support at another eligible institution.

The "HOME" institution is the eligible college/university at which the student is enrolled in a program of study leading to a recognized degree or certificate. The "HOST" institution is any eligible institution where a student may be co-enrolled in coursework and the credits will be transferred back to the HOME institution. **A co-enrolled student must be enrolled in 12 credits between both institutions.**

**Student Instructions:**

**Step 1:** Register for the courses at both institutions.

**Step 2:** Complete the following information and submit this form to the Financial Aid Office of your HOME institution.

**Step 3:** The Financial Aid Office of the HOME institution will notify the HOST institution and the Governor Guinn Millennium Scholarship Program of your co-enrollment. The HOST institution will remit your scholarship for the coursework at that institution.

- I understand that my eligibility status may not be correctly reflected on the Treasurer's website until the end of the semester when all records have been submitted and processed.
