

Admission Semester Change Request

This form is for students who wish to attend a semester that is earlier than what the student originally requested on their application for admission. Only students with an active WNC account should submit this form.

Changing a student's first term of admittance to an earlier time period could result in a change in a student's first catalog that may be used to fulfill degree or certificate of achievement requirements and/or could result in a change to non-resident status for tuition purposes.
