---	--

1. MMR not required if born before January 1957. Titers are also accepted.
2. A two-step TB skin test is one test in each arm approximately 10 days apart; readings must be done 48-72 hours after the test in both cases. You may also submit two consecutive years of negative readings, no more than 52 weeks apart. PPD-TB skin tests must cover the duration of the course. TB must be updated annually or two-step will again be required.
3. Short term major medical insurance must cover the duration of the course.
4. Titers (blood draw) are also accepted for MMR, Hep B, Varicella, TB. If titer results in non-immune, a booster vaccine must be submitted after the titer date.

**Students must submit immunization, health insurance, etc. (Health) documents through [mystudentcheck.com](http://mystudentcheck.com) in order to enroll, and authorize Background Check (if required). Any student becoming non-compliant with these requirements during the semester will not be permitted to participate in Labs or Clinicals.**

INCOMPLETE PACKETS WILL NOT BE PROCESSED
