The Higher Education Emergency Relief Fund II (HEERF II), which was authorized by the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA), has provided Western Nevada College funds to distribute directly to students. This funding is to be prioritized and directed to students who demonstrate financial need.

We are pleased to inform you that you have been automatically selected to received funding based off information from your 2020-2021 FAFSA. You can review your award amount in your myWNC Student Center and on your updated Financial Aid Offer Letter. The funds you receive are intended to help with emergency related expenses, caused by the pandemic. The funds can also be directed to assist with other components of your Cost of Attendance (COA), such as books/supplies, room/board, transportation, and personal/miscellaneous expenses. You can learn more about the selection process on the college's [CARES Act Funding website](#).

This award will not be applied towards any past due balance you have with the college and will come directly to you. If you don't already have direct deposit set-up in your myWNC Student Center, we encourage you to do so as soon as possible. Please click [here](#) to review direct deposit instructions.

During these challenging times, we encourage you to take advantage of the many sources of support offered through Western Nevada College.

- Thanks to the generosity of the William N. Pennington Foundation, WNC's Technology Assistance Program allows students to check out Chromebooks for the entire semester. Go to wnc.edu and fill out Student Need eform or stop by the WNC Library to learn more.
