---	--

Drug Screen

Nine panel drug screen (yearly) – Obtain form via email: ellie.dutton@wnc.edu Results will be returned directly to the Nursing & Allied Health office	
--	--

1. MMR not required if born before January 1957. Titers are also accepted.
 2. A two-step TB skin test is one test in each arm approximately 10 days apart; readings must be done 48- 72 hours after the test in both cases. You may also submit two consecutive years of negative readings, no more than 52 weeks apart. PPD-TB skin tests must cover the duration of the course. TB must be updated annually or two-step will again be required.
 3. Titers (blood draw) are also accepted for MMR, Hep B, TB, and Varicella. If titer results in non-immune, a booster vaccine must be submitted after the titer date.
 4. Short-term major-medical insurance must cover the duration of the course.
- [Students must submit immunization, health insurance, etc. \(Health\) documents to the EMS/Paramedic Administrator for approval no later than 2 weeks prior to the semester. Students must register at \[mystudentcheck.com\]\(https://mystudentcheck.com\) for their Background Check prior to submitting health documents. Any student becoming non-compliant with these requirements during the semester will not be permitted to participate in Labs or Clinicals.](#)
