The Higher Education Emergency Relief Fund III (HEERF III), which was authorized by the American Rescue Plan of 2021 (ARP), has provided Western Nevada College funds to distribute directly to students. This funding is to be prioritized and directed to students who demonstrate financial need.

We are pleased to inform you that your application for HEERF III Emergency Grant Funds has been approved. Please review the important information about this award below:

- You can review your award amount in your myWNC Student Center and on your updated Financial Aid Offer Letter. You can learn more about the selection process on the college’s HEERF Funding website.

- The funds you receive are intended to help with emergency related expenses, caused by the COVID-19 pandemic. The funds can also be directed to assist with other components of your Cost of Attendance (COA), such as books/supplies, room/board, transportation, and personal/miscellaneous expenses.

- Disbursement of HEERF III Awards will not begin until the THIRD WEEK of the semester and only to students who are Academically Active.

- If you provided authorization on your HEERF III Emergency Fund Application for your funds to be applied towards your current semester balance, this will occur no sooner than the THRID WEEK of the semester. You are responsible for meeting any earlier payment deadlines. Review important dates and deadlines at: https://www.wnc.edu/admissions/fees/.

- Remaining balances will be sent through the regular refund process. If you don’t already have direct deposit set-up in your myWNC Student Center, we encourage you to do so as soon as possible. Please click here to review direct deposit instructions.
